

A3 Fold Out Master Plan to accompany
Draft Plan of Management + Master Plan for Ashfield Park
February 2021

- KEY FEATURES**
- 01 A new interpretation strategy to highlight significant historic aspects and monuments of the park.
 - 02 Minor upgrades to amenities block adjacent to the sporting ground.
 - 03 Removal of the telegraph pole lamps adjacent to the sporting ground and replacing them with new sideline lighting to be consistent with other lighting within the park.
 - 04 New table and chair park furniture in selected shaded locations.
 - 05 Maintenance and repair of the existing exercise stations as required. C
 - 06 Establishing a biodiversity area to the southern corner of the park.
 - 07 New identity signage for the park.
 - 08 Traffic calming measures to Orpington St, Pembroke St and Ormond St
 - 09 Improvements to existing underground water tanks in an effort to 'drought-proof' the park as much as possible
 - 10 Control measures to limit/ organise parking associated with the bowling club
 - 11 Extend existing understorey native planting to the northern corner of the park to further develop a green buffer between the park and Parramatta Rd.
 - 12 Retain and maintain the topiary of the date '1871 - 2019' and name 'Ashfield Park'
 - 13 Install 2 table tennis tables with concrete pads, accessible path and spectator seating.

- KEY FEATURES**
- 14 Extend and improve the community garden to provide additional planter beds and fruit trees to the area surrounding the garden.
 - 15 New community garden composting areas, and a small structure to accommodate a seed bank, lockable tool shed and rainwater tank.
 - 16 Upgrade of one of the grass bowling greens to a synthetic green.
 - 17 New understorey planting in selected areas around the base of significant trees along the park perimeter.
 - 18 A new, off-leash dog area in the north-east corner of the park.
 - 19 Relocation of the historic milestone to just south of the diagonal pathway to an appropriate level area where it can be easily viewed, with appropriate interpretive signage.
 - 20 Increase the width of the circular path around the war memorial.
 - 21 Completing the axis of Phoenix Palms with new palms towards the north-eastern entry gateway.
 - 22 Upgrade the existing playground.
 - 23 Provide 2 new cricket nets.
 - 24 Extend existing BBQ area, with the inclusion of additional play elements focusing on nature play.
 - 25 Provide outdoor deck seating to support the cafe and terraced amphitheatre seating.
