

Mr Rik Hart

Dear Mr Hart

Planning Proposal PP_2017_IWEST_011_00 to amend Marrickville Local Environmental Plan 2011

I am writing in response to Council's request for a Gateway determination under Section 56 of the *Environmental Planning and Assessment Act 1979* (the Act) in respect of the planning proposal to make permissible a 'registered club' use on 287-309 Trafalgar Street, Petersham and increase the height of buildings and floor space ratio development standards on 3-7 & 13-17 Regent Street; 287-309 Trafalgar Street; and 16-20 Fisher Street, Petersham.

As delegate of the Greater Sydney Commission, I have now determined the planning proposal should proceed subject to the conditions in the attached Gateway determination.

Council may still need to obtain the agreement of the Department's Secretary to comply with the requirements of relevant Section 117 Directions Direction 4.3 – Flood Prone Land. Council should ensure this occurs prior to community consultation.

Plan making powers were delegated to Councils by the Minister in October 2012. It is noted that Council has requested to be issued with delegation for this planning proposal. I have considered the nature of Council's planning proposal and have decided to issue an authorisation for Council to exercise delegation to make this plan.

The amending Local Environmental Plan (LEP) is to be finalised within 9 months of the date of the Gateway determination. Council should aim to commence the exhibition of the planning proposal as soon as possible. Council's request to draft and finalise the LEP should be made directly to Parliamentary Counsel's Office 6 weeks prior to the projected publication date. A copy of the request should be forwarded to the Department of Planning and Environment.

The State Government is committed to reducing the time taken to complete LEPs by tailoring the steps in the process to the complexity of the proposal, and by providing clear and publicly available justification for each plan at an early stage. In order to

meet these commitments, the Greater Sydney Commission may take action under Section 54(2)(d) of the Act if the time frames outlined in this determination are not met.

Should you have any queries in regard to this matter, I have arranged for Mr Brendan Metcalfe of the Department's Sydney Region East section to assist. Mr Metcalfe can be contacted on (02) 9860 1442.

Yours sincerely

 11/10/17
