

Bell Reserve – Have your say on a new pocket park for Croydon

your say
Inner West

Former Croydon resident Betty Bell, bequeathed her home ‘Balmoral’ to Council with the intention that Council ‘Maintain the land as an open space reserve.’

Bell Reserve is located at 188 Croydon Road, Croydon. This is an exciting and rare opportunity for community involvement in a new green space for the area.

Our vision for the site:

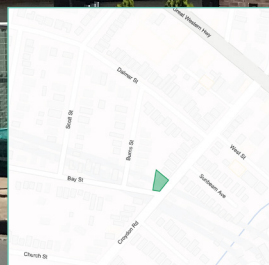

- Create an inclusive community space that celebrates the site's history
- Design for informal passive recreation and rest areas
- Accessible and interactive nature areas for children
- Design for safe and sustainable long-term maintenance
- Respond to the requirements of community users of the park
- Retain onsite plantings where possible to acknowledge Betty Bell's commitment to gardening and enjoyment of the outdoors
