Dear Ms Phillips

**Subject:** Inner West Council, draft Plan of Management – Marrickville Parklands & Golf Course

Thank you for submitting Inner West Council's draft Plan of Management (PoM) for Marrickville Parklands & Golf Course under section 39 of the *Local Government Act 1993* (LG Act) on the 24 November 2020.

I have reviewed the draft plan of management and as a delegate for the Minister for Planning and Public Spaces, I am pleased to confirm that the draft PoM satisfies the requirements under section 3.23 of the *Crown Land Management Act 2016*.

I note however the following items should be amended in the draft PoM:

- References to 'Riverside Park (R83765) Reserve Trust' should be removed as Council is taken to be the appointed Crown land manager; and
- References to repealed legislation including *Threatened Species Conservation Act 1995*, *Noxious Weeds Act 1993*, *Native Vegetation Act 2003* should be updated.

Once these amendments have been made Council can progress to the Public Exhibition stage for the draft PoM. If Council amends the draft PoM following community consultation, Council is required to again submit it to the landowner prior to adoption. A copy of the final adopted PoM should be sent to Crown Lands via [council.clm@crowland.nsw.gov.au](mailto:council.clm@crowland.nsw.gov.au).

Council is reminded that an adopted PoM authorises the lawful use and occupation of Crown land. Any activities to be undertaken on the reserve must be expressly authorised in the PoM prior to implementation.

If you have any further questions or need assistance, please contact the Council Crown Land Management Team via email at [council.clm@crowland.nsw.gov.au](mailto:council.clm@crowland.nsw.gov.au).

Yours sincerely
