No.	Potential Item Name & Description	Address	Image
1.	<p>Former Millers Brewery Building</p> <p>Built in 1955, this is a prominent hill-top building on a historic brewery site (the site's long term use possibly giving rise to the term "Taverner's Hill" for the location), adjacent to the heritage-listed Fort Street High School 1916 building. This building is not within HCA 5. Information from Australian Institute of Architects indicates the building is likely to have been designed by architect G. E Wilson of the firm of Booker and Wilson. The sculptures on the Parramatta Road façade of the building were designed by Sculptor Paul John Beadle born England 25 November 1917, graduate of Cambridge Art School 1933 and Central School of Arts and Crafts London 1939, migrated to Australia 1945, taught at the National Art School, Sydney 1946-47, before becoming Head of Art School, Newcastle between 1952 and 1957 and Principal, South Australian School of Art from 1958 to 1960. The sculptures - representing the farmer, the brewer, the drayman and the publican- were cast in cement at Newcastle Technical College in 1954 and had been installed on the building by March 1954.</p>	606-610 Parramatta Road, Petersham
