Dear resident,

## Have Your Say

### Draft Plan of Management and Master Plan for Hammond Park

Hammond Park is one of our wonderful public parks and a favourite destination for the Inner West community.

This open space is a crucial part of the Inner West since it is home to a number of sports facilities including Ashfield's first-ever cricket ground, which was established in 1875.

In August 2022 we consulted the community about this well-loved open space. This input informed the draft Plan of Management and Master Plan. We are now inviting you to provide your feedback on the drafts.

#### What are the key features in the Master Plan?

- New accessible circuit footpath
- New basketball half-court
- New amenities block
- Natural turf sportsground upgrade
- New learners bike path

There are two ways you can view the documents:

1. In person at Council's customer service centres in Ashfield and Leichhardt
