Peace Reserve- Engagement

Dear resident,

I am writing to inform you of Inner West Council's plans to revitalise Peace Reserve in Newtown. This small pocket park, sitting alongside King Street, has important connections to the vibrant economic precinct of Newtown.

What is being proposed?

- Installing new seating structures and lighting
- Commissioning of public art
- Enhancing the garden character of the reserve
- Enhancing visibility and nature lighting through tree reduction
- Allowing for short term activations, i.e Table Tennis
