## **Background Information**

- The proposed listing includes three early 1930's residential flat buildings known as;
  - No. 66 Ewart Street, "Rothesay"
  - No. 68 Ewart Street, "Windsor"
  - No. 70 Ewart Street, "Warwick"
- The properties are a fine example of Inter-war Georgian Revival style architecture;
- It is unclear whether the flats that now occupy the sites were built on vacant land or whether they replaced earlier development;

## **Modifications**

- Recessed balconies to facades may have originally been open; and
- Rendering to front fence of No. 68 likely a later alteration.

## **Statement of Significance**

- The three flat buildings demonstrate outstanding similarities of materials and design and appear to have been constructed as a group;
- The properties are relatively intact with original brickwork, roof forms and tiling, windows, doors, porches and fencing; and
- The buildings are of local historical significance as examples of 1930s Depression period residential development in Marrickville.

## **Management Recommendations**

- A Heritage Impact Statement is required by Council to accompany any Development Application for non-minor work;
- Further subdivision of the lots is discouraged;
- The overall form of the buildings, period materials and finishes should be retained and conserved;
- Any development forward of the building line such as solid fences, high walls or car parking structures is strongly discouraged.
