Background Information

- These proposed heritage properties were built as a group of three pairs of Federation Queen Anne style semi-detached houses
- The semi-detached houses were built in 1914 and originally known as:
 - No. 2 – “Booyong”
 - No.4 – “Kyogle”
 - No. 6 - “Dunnon”
 - No. 8 – “Eltham”
 - No. 10 - “Casino”
- The houses are of local historical significance as evidence of the development of the 1907 Marrickville Station Estate subdivision.

Modifications

- All 6 properties appear to be relatively intact and any modifications appear to be nominal.

Statement of Significance

- The original house names relate to the names of towns and localities in northern NSW;
- The group of houses are of aesthetic significance as a fine yet modest and very intact group of Federation Queen Anne style semi-detached dwellings;
- The properties are exceptionally intact retaining polychrome brickwork, slate roofs and verandah detailing.

Management Recommendations

- A Heritage Impact Statement is required by Council to accompany any Development Application for non-minor work;
- Further subdivision of the land is discouraged;
- The overall form of the building, period materials and finishes should be retained and conserved;
- The external surfaces and materials of significant facades (generally, but not limited to, those visible from the street or a public place) should be retained, and painted surfaces painted in appropriate colours.
- Any development forward of the building line such as solid fences, high walls or car parking structures is strongly discouraged;
- Single storey extensions will generally be preferred over two-storey forms unless there is a sound heritage reason to do otherwise.
